

BURJA® Argan oil

- ✓ *Ideal for hydrating and nourishing all skin types, including sensitive ones*
- ✓ *Regenerates and revitalizes dry skin on both the face and body and improves its elasticity*
- ✓ *Establishes a balance in maintaining moisture and producing sebum in cases of oily skin*
- ✓ *Equalizes complexion, reduces visibility of wrinkles and gives skin a youthful glow*
- ✓ *Prevents stretch marks during pregnancy or intense growth periods and reduces occurrence of scar tissue*
- ✓ *Nourishes and repairs hair as well as nails and cuticles*

Instructions for use:

Skin: Take one to three drops of oil from the bottle using the pipette supplied in the package, and apply them to the palms of the hands so as to gently warm them up to body temperature, then gently massage or rub them onto the skin of the face, neck and décolleté. When applied to the skin of the body, it should be gently rubbed on after a shower, in a small amount, paying particular attention to dry areas of skin and stretch marks.

Hair: Warm a few drops of oil between your palms, massage onto the scalp and then spread it evenly over damp hair. Do not rinse.

Nails: For the care of brittle nails and those prone to breaking, apply a few drops of argan oil before bedtime on wet hands and rub it gently into the skin and nails. Leave the oil on the applied areas to work overnight.

Warnings: For external use only. Keep out of reach of children.

Storage conditions: Store in a dry and dark place, up to 30°C. When stored below 10°C (for example, refrigerated), it is natural for the product to crystallize under these conditions.

This change does not affect its quality, but it must be kept at room temperature before use to restore its consistency.

Expiry date: 3 years from the date of manufacture. The manufacturing date is printed on the bottle and on the box.

Manufacturer: Esensa d.o.o., Viline vode bb, Beograd, Republika Srbija

Country of origin: Republic of Serbia
