

**EN** **Expulmo Pavle Paxi** is a balm formulated on the basis of essential oils that is intended for the care of children's skin as well as to ease breathing. It contains essential oils of myrtle, fir and pine in concentrations that are suitable for children, and its refreshing scent of conifers and Mediterranean herbs contribute to relaxation and achieving better rest for the child. It is because of this that **Pavle Paxi** balm is also recommended for those with "jet lag", when changes in time zones can lead to disrupted sleeping patterns.

**Warnings:** For external use only. Not recommended for people hypersensitive to any of the ingredients in the product. Do not apply to damaged skin, mouth or nose. Avoid contact with eyes. For use in children with sensitive skin, it is recommended to test the product on a small part of the chest before applying to a larger area.

**Instructions for use:** Apply a small amount of balm by hand onto the chest and back of the child, or under the nose, 3 to 4 times a day. Its use before bedtime is especially recommended.

**Storage conditions:** Store in a dry and cool place without direct exposure to light.

**Packaging:** 50 ml glass jar.

**Expiry date:** 4 years from the date of manufacture. The date of manufacture and serial number are printed on the jar.

**Manufacturer:** Esensa d.o.o, Viline vode bb, Belgrade, Republic of Serbia, [www.esensa.rs](http://www.esensa.rs)

**Country of origin:** Republic of Serbia
