Propomel drops for adults, oral solution 30 mL

Dietary product, liquid food supplement
based on standardized organic propolis extract

Propomel drops for adults are formulated on the basis of organic propolis extract standardized to a minimum of 25% total polyphenols (polyphenolic complex of quercetin, apigenin, pinobaxin, chrysin, pinocembrin and galangin).

Ingredients: ethanol; purified water; liquid hydroalcoholic extract of organic propolis (standardized to 25% of total polyphenols).

Instructions for use:

For internal use: 3 times a day, drink 10-15 drops dissolved in half a glass of water or drip onto a sugar cube or a teaspoon of honey and then gently dissolve in your mouth.

For rinsing of the mouth / throat: 3-4 times a day, rinse the mouth / throat with 10-20 drops dissolved in half a glass of water.

Notes: Dietary supplements are not a substitute for a varied/balanced diet and a healthy lifestyle. The recommended daily dose should not be exceeded. Keep out of the reach of children.

Warnings: The product should not be used by persons hypersensitive to propolis, bee products or any ingredient in the product. The product is not recommended for pregnant women, nursing mothers or people under 18 years of age.

Storage conditions: Store in a dry and dark place, at temperatures up to 30°C.

Expiry date: 3 years from the date of manufacture.

Manufacturer: Esensa d.o.o., Viline vode bb, Belgrade, Republic of Serbia

Country of origin: Republic of Serbia
