

EN Xibiz Jao gel is recommended in cases of:

- ✓ *Insect bites or stings*
- ✓ *Excessive exposure to the sun*
- ✓ *Shaving, depilation and epilation*
- ✓ *Heat rashes*
- ✓ *Contact with various irritants*

Xibiz Jao gel contains 6 natural, carefully selected active ingredients that effectively relieve all kinds of skin irritation. Thanks to its synergistic effect, itching, swelling, redness, burning and flaking at the site of application are significantly reduced.

The hamamelis distillate exhibits an astringent, anti-inflammatory and soothing effect on the skin, as well as antibacterial and antioxidant activity, which additionally contribute to improving the condition of irritated parts of the skin.

Chamomile flower extract leads to a reduction in irritation and faster regeneration of the skin, while the essential oil of mint provides a pleasant sensation of cooling on inflamed and irritated skin and lessens the accompanying feeling of pain.

Panthenol (provitamin B5), allantoin and vitamin E stimulate the epithelialization and regeneration of the skin.

Instructions for use: Apply the gel in a thin layer to the desired parts of the skin of the body or face and gently rub it in. Repeat the procedure several times a day as needed.

The gel is intended for use in adults and children.

Warnings: For external use only. It is not recommended for people who are hypersensitive to any of the ingredients. Keep out of the reach of children.

Storage conditions: Store at temperatures up to 30°C.

Expiry date: 3 years from the date of manufacture. The manufacturing date is contained in the serial number printed on the weld of the tube and printed on the box.

Manufacturer: Esensa d.o.o, Viline vode bb, Beograd, Republika Srbija

Country of origin: Republic of Serbia
